2. Claim 19 is incomplete because the claim on which it depends from has been cancelled by the examiner in accordance with MPEP §1214.06. Applicant is given a ONE MONTH TIME LIMIT from the date of this letter in which to present claim 19 in independent form. Also, the applicant should use this period for response to thoroughly and very closely proof read and review the whole of the application for correct correlation between reference numerals in the textual portion of the Specification and Drawings along with any minor spelling errors, general typographical errors, accuracy, assurance of proper use for Trademarks TM, and other legal symbols [®], where required, and clarity of meaning in the Specification, Drawings, and specifically the claims.
